REMINDER: Maluhia Road to close for road work, Sundays to Thursdays, from June 21 to Aug. 6

KŌLOA – The Department of Public Works and Goodfellow Bros. LLC., are reminding the public that construction work will continue on Maluhia Road from June 21 to Aug. 6; closures will occur continuously day and night each week from 7 p.m. on Sundays to 7 p.m. on Thursdays. The dates may change dependent on the weather and other factors.

Work will consist of shoulder widening and repaving of the road surface from Kaumuali'i Highway to Kōloa Road.

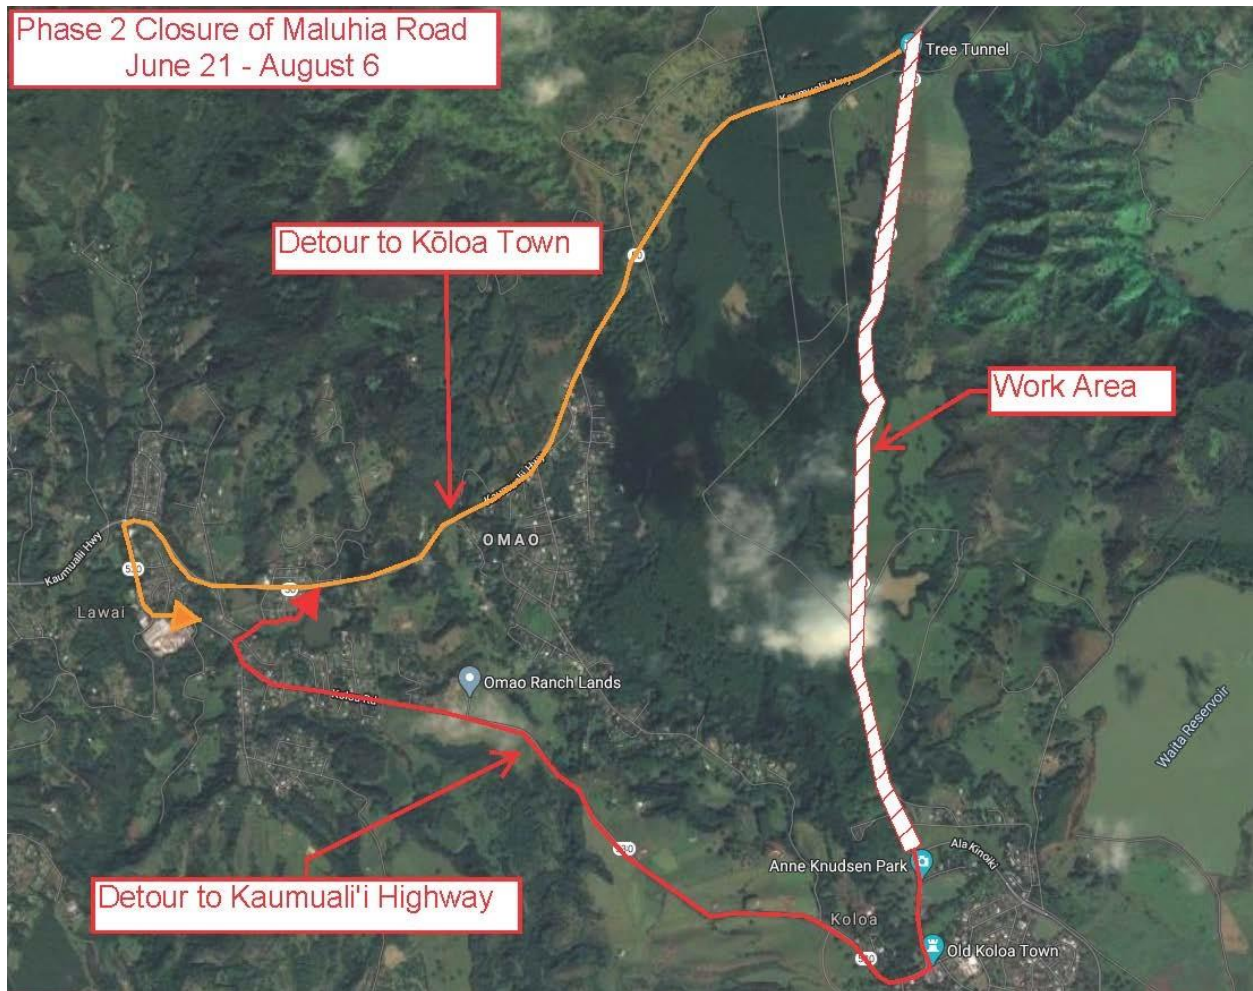

Maluhia Road will be closed from Ala Kinoiki to Kaumuali'i Highway, June 21 to Aug. 6; the temporary traffic detour for this phase will be on Kōloa Road, Piko Road, and Kaumuali'i Highway.

Access to property within the closure area will be permitted only for residents and others who need to access properties.

Additionally, Maluhia Road has reopened to traffic between Ala Kinoiki and Kōloa Road. Paving work today was cut short due to rain and the final pavement lift has not yet been installed. In addition, the contractor was unable to install the roadway centerline stripe due to wet pavement. Traffic cones have been placed to separate the two directions of traffic. When weather conditions are favorable, the contractor will install a temporary centerline by closing one lane of traffic and using flaggers to allow alternating traffic in the open lane. Road users should use caution when traveling in the area.

If you have any questions or concerns, please contact Michael Jauch at 808-241-4601.
